HON'BLE SRI JUSTICE S.ANANDA REDDY

WRIT PETITION No.9441 of 1995

O R D E R :

This writ petition is filed by the petitioner apprehending that the respondents, without following the due procedure, are initiating action for demolishing the structures stated to have been erected in an extent of 43½ Sq.yards of land situated at Medak Road, Ward No.8, Block No.4, Siddipet proper, Siddipet Taluk, Medak District.

The petitioner claims to be the purchaser of the land under a registered sale deed dated 28-1-1980 and after obtaining permission from the respondents, the structures were constructed. But however, the respondents proposed to demolish the structures on the presumption that the petitioner had encroached the public property. Therefore, the petitioner has come up with the present writ petition.

This Court while admitting the writ petition directed the respondents not to demolish the structures. Since the apprehension of the petitioner is that the respondents are proceeding for demolition of the structures without serving any notice and without following the procedure, therefore, sought for appropriate orders.

Heard the learned counsel.

In view of the above facts and circumstances, it would be appropriate to dispose of the writ petition with a direction to the respondents that if there is any proposal to take any action in respect of the property in question, the respondents shall do so after issuing notice and after following the procedure contemplated under the law and not otherwise.

The writ petition is accordingly disposed of with the above direction. No costs.
